BLUESTONE

HIGH SCHOOL

DEDICATION

The 1960 Golden Link staff dedicates this, the fifth Bluestone High School yearbook, to its faculty adviser, Mrs. Juanita Clarke. Through her genuine interest in her students and her classes, Mrs. Clarke is known as a dedicated teacher. Both her humility and her judgment mark the golden character of a workman of God . . . one who has found her place in the world helping to teach us, the future leaders of the world.

For her vivid personality but more for her devotion to all the students of Bluestone High School, we dedicate the

1960 Golden Link

to

MRS. JUANITA CLARKE

These Golden Years

ALMA MATER

Bluestone High School, through your halls
Learning leads us on our way.
Crystal skies above us bend,
Happy are our hours each day.

Chorus

Alma Mater, you we hail
As the years go by.
Guiding light, safeguard our pathway,
Shine from Bluestone High.

Bluestone High School, may we build
Lives like your foundation strong.
Honor, faith, and love will keep
Memories bright and friendships strong.

Amid dreams of graduation and college, many of the 1960 Bluestone Seniors can be heard saying, "I never thought I would make it this far!" Others are saying, "I'm being graduated from high school, but I have still at least four more years to go."

Although they have taken the lead in the many extra-curricular activities, the seniors have also coped with English 12, French II, U.S. Government, Solid Geometry, Trigonometry, Physics, and other difficult subjects. But, if the saying "All work and no play makes Jack a dull boy" is true, the Seniors are certainly not a dull group.

Arrival of class rings and selection of pictures caused much excitement in the fall. College Entrance Exams were taken by many. Graduation, robes and invitations claim much attention, and Senior "Day-Off" is eagerly being anticipated. Truly, the 86 members of The Class of '60 have vivid memories of a busy year.

The Class of '61 returned in September to tell of their summer adventures and their big plans for the best Junior-Senior Prom ever given. Fund raising activities included a Christmas dance and sales of various kinds.

Besides working hard on plans for the Prom, the Juniors also worked on English, U.S. History, French, Plane Geometry, Chemistry and other subjects. Too, they found time to participate in all school events and extra-curricular affairs.

"We are finally high school students." This was the main thought of the ninth graders as they began school last fall. No longer were they to be led around and told exaggerated tales of high school. They are now fully qualified participants of the extra-curricular activities at Bluestone. Ninth grade students may be found studying English, Algebra, Business Math., Latin, civics, geography and numerous other subjects.

SCA OF 59-60

The Student Council had a very interest-ing and rewarding year. First of all, the members on the council were very ambitious and willing to work. They started the "Club of the Month" project in which recognition was given to a club that had done outstanding work during the month. Homecoming and May Day were sponsored by the SCA. They helped with other activities carried on by other clubs in the school. This was a successful year for the Student Council, but they could not have done the work without the help and support of the entire student body of Bluestone High School.

THE GOLDEN LINK

The Golden Link's activities for this year have included an early circulation campaign begun by an assembly program. Several members were sent to the S.I.P.A. last spring in Lexington to obtain new facts and ideas in the production of yearbooks.

Although the 1960 Golden Link's price was raised this year, the advertising prices remained the same as last year. An added feature includes the name of each senior on his yearbook.

It is the sincere wish of every member of the

1960 Golden Link staff that this yearbook will present all the happy memories of the 1959-1960 school year in their most vivid forms.

BLUESTONE HIGH SCHOOL BAND

In Marching Formation

The Bluestone High School Band under the direction of Mr. Grover B. Harris has been highly praised this year. The band also drew favorable comments from judges at contest time as recognized by the "superior" rating in the District III Festival last March.

Already this year, the band has received many parade invitations. In the fall they marched in a 4-H parade at Lawrenceville, Harvest Festival in South Hill, and South Central Fair Parade in Chase City. At Christmas they marched in four parades—Danville, Oxford, Clarksville and Chase City.

At Bluestone football games, the band gave many unique half-time shows for the entertainment of the spectators. Throughout the games they added their musical support.

Concerts are also given by the versatile band. A Christmas concert was given, and a spring concert will be given. In addition to these public appearances, the band often entertains the student body during assembly programs.

CHORAL MUSIC CLASS

The Choral Music Class at Bluestone has become a significant part of our school life. Student participation in Choral Music, which is offered as an elective class, has increased this year.

The Chorus presents many performances at school, such as singing in the assembly, at Thanksgiving, Christmas, Easter, and Commencement. Each year the Chorus is asked to present a program for the P.T.A. Also included in the activities this year was a combined Choral and Band Concert given at Christmas.

Choral Music activities are directed by Mrs. Elizabeth Owen. Accompanists are Faye Carter and Ruth Elliott. Soloists are Connie Tate and Calvin McGee.

This year, preparations are being made for a joint meeting of the Park View and Bluestone Latin Clubs for which Bluestone will be the host group. The meeting is planned for the "Ides of March."

FFA ACTIVITIES

Activities of the chapter are conducted by the members under the supervision of the instructors of vocational agriculture. We follow regular parliamentary procedures in all of our meetings, and we have rituals for the opening and closing of meetings, and for the conferring of degrees.

Under the leadership of its president, George Gordon, the Bluestone FFA Chapter has had a successful year. Chapter activities this year included exhibits in South Central Fair, participation in forestry, crops, dairy, degree team, and public speaking contests, parent-son banquet, hamburger fry, FFA-FHA camp, and State FFA Rally at Blacksburg, Virginia. Maurice Hendrick was selected as one of the youth representatives from Virginia to attend American Institute of Cooperatives conference at Urbana, Illinois. George Gordon attended National FFA convention in Kansas City, Missouri.

First place winners in the South Central Fair were: swine - Roy Wootton, Clifford Simmons, George Gordon; dairy - Marion Brewer, Roy Wootton, Charles Yancey; crops - Victor Reese, Marion Brewer, Roy Blackwell.

WILDLIFE CLUB

Interest among Bluestone students in the conservation of wildlife has been proved by the increased membership in this year's Wildlife Club. Monthly educational programs highlight speakers who discuss conserving forests, soil and wild creatures. A number of specialists presented talks on foxes, rabbits, deer, and other animals.

A special project of the club in cooperation with the F.F.A. is the preparing of food caches for the use of wild animals. The Wildlife Club promotes a close relationship between the game warden and citizens in conservation of wildlife.

VARSITY FOOTBALL

The Barons completed their season with a record of five victories against five defeats. In district competition they ranked well up the ladder in the final standings as they posted a 4-3 record. Victories were heartily welcomed as the Barons set back Park View, Buckingham, Cumberland, and Randolph Henry to defeat.

Hustle, attitude, will to win, and careful guidance of Coach Scogin and Coach McPherson was the formula of the Baron success throughout the season. The '59 season can be looked upon as a stepping stone along the way from weak-Baron teams of the past to strong teams of the future.

Jump Shot!

As a result of hard work and great determination on the part of every member of the Bluestone Basketball squad, the Barons are tasting the most successful basketball season in the history of the school.

From the first day practice began it was evident that the team had its goal set on improving last year's record and eventually gaining a position in the district tournament.

The squad is well balanced and any member is capable of leading the team to victory on a given night. This balance was brought to light early in the season when Bluestone upset the perennial district champions Buckingham on the latter's home court. This victory was accomplished without the services of high scoring Donnie Fahringer, on the sick list then, and proved the over-all ability of the entire team.

The Bluestone Barons of 1959-1960 finished fifth in the district ranking and became Bluestone's first district tournament team. Even though the Barons were defeated by the powerful Buckingham team, whom they had defeated earlier in the season, they made a fine showing at the tournament. This in itself shows that basketball wise, Bluestone is looking up and that in the future, the Bluestone Barons will be a team to watch in district competition.

CHEERLEADERS

The cheerleaders of Bluestone High School possessed the four qualities, pep, spirit, enthusiasm, and vitality, that are essential to make a good cheerleader. The cheerleaders practiced many hours, beginning before school opened in the fall. Their job, which was to promote good, clean school spirit among students as they urged them to yell the players on to victory, was a job well done.

The time records for the season were better, but the competition was keener for there were seven schools participating where in the previous year there were only four. This was the first year that any one from Bluestone participated in the State Track meet in Lexington. Kent Harris and Bryce Sneed represented Bluestone in this meet. Experience gained by the team this year proves to make a better team next year.
